Post Convergence Conference Reports

Opening Prayer

Dale's Poem

The first signs of fall, HE sends
By the whistling of cold winds
To prepare us for what's ahead
Like prophecy that's been said.

He uses the unseen for HIS bidding
As a warning of where we're heading
We are at the change of seasons
Set a part for His own reasons.

It all can be quite clear
If HE has our listening ear.
To hear the change in HIS sound
Will loose us where we are bound.

Comments:

- I (Dale) think it applies to the Strike Force, to you and your pending move, and to the Convergence Conference. We're all involved in the change. It's not just the physical changing of the season, but a new era in the spiritual realm. We need to listen and pay attention to the new sounds.
- Father, you are confirming the new season that we've been set a part to You and Your purposes. We want to have a listening ear since You said it would become clear if we listened. We want to hear Your sound, Father God. We can be loosed from any places where we are still stuck in bondage that would stop us from moving into what You are doing.
- Entered Jewish New Year 5781 last Friday Evening, Rosh Hashanah. We are now in the Ten Days of Awe which will end on Yom Kippur. There's an open heaven these ten days until the gates close on Yom Kippur. These are the times to spend in repentance for unfinished business of last year. This is an appointed time with the Lord to prepare and receive assignments for the coming year—that you might be inscribed for the new year.
- We're in a new era with a new sound coming out of heaven. It's a changing season in which the cold winds prepare us for that which is soon coming.

- Listen and let loose of the past that would prevent us from moving into the new season.
- We want to present ourselves before the Father and listen. Begin to hear the changes in the spirit realm. Things are beginning to shift in the heavens.

Beverley's Prophetic Insights on Rosh Hashanah

- 1) **Resetting of the Courts in Heaven and Earth.** Significant fact: U.S. Supreme Court Justice, Ruth Bader Ginsburg, died Friday, on Rosh Hashanah, after a long fight with pancreatic cancer. This is significant given our intercession for arson in the courts of heaven several weeks ago. God is cleansing the seats of authority in the spirit realm. The jurisdiction of the courts is being reset. That was an assignment that the Lord gave us. Here we see that has an affect even in the earthly courts.
- 2) **The Great Resetting.** The Lord said that He is resetting my feet. The reset is a re-seat. He is re-seating authority, the seats of authority in His administration. He is saying that where people have been sitting in seats of authority – in the spirit and in the natural – the Lord is changing the administration. Those who have been sitting in seats of authority are being removed, and new people are being put into seats. Those that God is seating have been on a wilderness journey, a time of testing. It's been a place of preparation. He is seating them in a new place. There is a governmental shift occurring in the realm of the spirit. Interesting that the Lord had us pray, several weeks ago, for a cleansing of the seats. There's a resetting and a cleansing. Massive shifts are going on. We don't need to fear what's coming, but we do need to be positioned to hear His voice. We are being shifted; we're moving during this Rosh Hashanah time. He will be speaking in a different voice. We will hear differently.
- 3) **The Lord is pleased with our obedience.** He sees that we have tried our best to be obedient and move when He says move. The Lord said that He had more assignments for us, but we have to become more covert. He said we need a tighter security and more discipline as we move forward in these assignments in the next season. There's a re-seating even for us.

Prayer to Hear the Lord's Plans for Us

We recognize the winds of the spirit are blowing. When God is getting to do something new, the winds blow, even in the natural. Here in Johannesburg, the winds have been blowing since August, which is normal this time of year. Having winds at the end of September is unusual. God is saying, there's a shift. God is moving. He is using the unseen things to show us things. We need to open our spiritual ears. Lord, speak to us. We want to hear the new sound.

- Pray in tongues
- We present ourselves before You as one, take our places in the corporate body
- I sense the Kingship of God. We're coming before Him as the King of Kings. We honor You, bow before, give You thanks for Jesus – that we thank You that You are granting us access to this place. We thank You that we can be in, You, Jesus in this place.

- We thank You that the gates of heaven are open during this time. We thank You for this appointed time with the Strike Force
- There's fire all around His throne.
- We're in Daniel 7:9-10 NKJV:
 "I watched till thrones were put in place,
 And the Ancient of Days was seated;
 His garment was white as snow,
 And the hair of His head was like pure wool.
 His throne was a fiery flame,
 Its wheels a burning fire;
 A fiery stream issued
 And came forth from before Him.
 A thousand thousands ministered to Him;
 Ten thousand times ten thousand stood before Him.
 The court was seated,
 And the books were opened."
- We humble ourselves. We lay down our own strengths and agendas, our own plans – "that no flesh should glory in His presence" (1 Corinthians 1:29).
- You've set us apart. We want to be aligned with God's purposes, Your books.
- We lay everything down just as Jesus did.
- I sense the Father is asking us to lift our eyes and look at Him. We do that as one. We look at You, the King of Kings and the Lord of Lords. We look at Him, because we want to find grace in His eyes. There's a new grace coming right now. There's a grace that He has for us.
- Vision: a molting eagle. Change of seasons—the old is coming off so the new can come. We have to lay down so we can receive the new.
- Vision: The Lord is seated on the throne exalted. He is high and lifted up.
- Some maybe sensing that they have nothing more to give – everything has been stripped off. This is part of His purpose in this season. By stripping everything off and laying down, you are increasing a capacity to receive more. You are making room for a new thing to fill you. Now He's about to fill you. We need to be emptied, poured out to make space for the new.

Jesus Commissions Us for New Season

- Vision: I see Jesus on his horse as the Commander, and we are laying down our weapons at His feet in total submission.
- Vision: I see Jesus holding a pitcher of water, living water, I believe to cleanse, refresh, and bring peace.
- Vision: I see that water cleansing us.
- In the Kingdom, the way up is down. It's back to front. The more we lay down, the more He can release.
- There's a water that's being poured out. There's fresh water coming out – grace to cover you.

- Vision: I see Jesus with bowl and towel. I think He wants to wash our feet, like He did the disciples. Holy, holy, holy is the Lord God Almighty who was and is to come, who commissions us to walk in His Kingdom.
- When Jesus washed their feet, it was part of preparing them for the new season, preparing them for where they were going to walk.
- Father, we are humbled today that Jesus would come to wash our feet. We're humbled because of who He is. We'd want to wash His feet, but we recognize what that means.
- Father, as a Strike Force, we put our feet down in front of us. We say, Jesus, it would be our honor for You to wash our feet. We love you. You've already set us apart in this season. As You wash our feet, you are setting us apart in our walk in the next season for the places where we are to walk.
- Vision: I see Him washing our feet as one entity, one body. Let's worship Him in this place. He is holy, He is holy, He is holy.
- Vision: Now He is lifting us up, taking our hands, and leading us into this court before the Father. We are in the Court of Daniel 7. We've moved from the back to the front, because we have been prepared.
- The books are open. Father, we want to be set apart to fulfill Your vision, Your purposes. We want to be embodied in You. Father, in this new season, we humbly ask that we might be used by You. We present ourselves such as we are, such as we have, we lay it at Your feet. We say use us as You will for Your Glory. We want Jesus to be lifted up. We want the vision of God to be established. We want Your Will to be established on earth as it is in heaven. We're here to say we're here for You to use as You will.
- As we stand here in front of the books. The Father is looking at it. I feel there's a fresh commissioning for us. There are new mantles coming. Lord, we want Your will – not ours.
- Vision: Jesus is knighting us with blue capes/mantles as we are kneeled in front of God.
- Vision: I see a stamp or a seal with a sign that certifies a true document.
- Vision: I feel and sense a weight coming on, not a burden, but something to be carried
- There is a weight coming on our shoulders. It's like mantles; it's a new weight of glory coming upon us. The commissioning is like a knighting. The mantle is the Spirit of the Lord that's going to accomplish whatever we are called to do.
- We need clean hands and a pure heart.
- We carry the Presence of the Lord on our shoulders. Part of the weight is governmental (Apostile, Apostello, Asostle) giving us authority to carry out our commission. It is a mantle of grace that will empower you to complete the assignment. There's an Apostile sealing giving us the authority to sign or carry out assignment in international jurisdictions.
- Vision: I see that the mantle has a huge eagle on it – one wing is on the left shoulder and the other wing is on the other shoulder. The eagle represents the prophetic nature of God. The color blue represents the heavenly realm and God's nature.

- The Fear of the Lord protects covert actions that God is asking of us. We need to be covert in our actions in this new season. Lord, we thank You for this new mantle. We thank you for the weightiness of Your Presence. We thank You for the prophetic intercession You are calling us to. Thank You that it is falling on us corporately. We thank You that we operate out of this mantle which is the Spirit of the Lord. Thank You that You are commissioning us. We receive it and we say Thank You. Thank You for the Apostile seal that goes with the mantle. We receive it as the Strike Force.
 - As we were receiving the mantle, I heard that it was an overshadowing of the Lord. As new shadow came over me, a sword was placed in my hand. As the shadow comes over us as a group, we won't even realize that new weapons have been given to us. We will be traveling under the shadow in this new season. You will feel the weight of the shadow and know that you have new weapons in your hands.
 - Under the shadow of His wings, there's protection. Under the shadow/tent, we become impregnated with the new things that God is releasing for this season.
 - Lord, we want to be in the tent, under the shadow – under Your shadow. Under Your Shadow new things will be released. In the hidden place there's going to be a sharp sword that we're going to use in the next season. He's about to fill your mouths with a new Word. The Word is going to be sharp like a sword. You are going to speak a thing and declare a thing, and be established.

Prophetic Word

The Lord says to the Strike Force that as you have come up to me, I am promoting you as you have been faithful with which I have given you. In this season I promote you. There are assignments coming to you; some for the whole group; some for ones and twos of you, but you will all complete your assignments. They will be quick and on target. You will be like a sharp sword. I've made you like a sharp weapon. Some will be at a long distance, but some of you will be up close, but I'm going to deploy you in this season, so get ready. Get ready, Strike Force. I called you, but it is a covert season. It's time to go covert; it's time to go underground. It's not time to be above ground; it's not time to be seen. We're going underground with His Word. His Word will be a light and His Word will be a sword in your mouth. Father, I say Thank You.

- That sword, it has a frequency. It's a different sound that Dale got in his poem. As we come under the shadow of His wing, the sound will be a different frequency when we speak.
- Isaiah 51:16 TPT: "I have placed my words in your mouth and have hidden you in the hollow of my hand to establish the heavens and make the earth rock solid. You will say to Zion, 'You are my people!'"
- Vision: When I asked, He said he's giving us new weapons. I saw a gold ring placed in the palm of my hand. It would be like a signet ring or covenant ring – understanding the place of covenant with Him. It has to do with a new authority.

- A peace came over us – a place the Father has taken us
- Heard the Lord say, “break off something.” Saw Mary with Halo or aura over her head representing His Glory.
- I sense a new type of head covering was placed on our heads – a gold helmet with a crown. It signifies a new headset, new mindset, and clarity.
- I’m seeing us as His bride, and white gown and veil, and a ring put on our finger.
- I’m reminded of Mary was overshadowed by Holy Spirit when she conceived.

Call for the Prayers of Intercessors

Beverly is encouraging us to respond to the call for intercessors. We are equipped to lead small groups on intercessors as the Ekklesia. Move forward! It’s time for multiplication. We are being trained for our sphere, what God is calling us to do.

- What we do in Strike Force opens the door for each of us in what God wants in our area.
- Intercession for France in a European group
- New parent group for intercession
- Intercession for her daughter. Book recommendation: “Regions of Captivity: One of the Most Powerful Ways to be Delivered” by Ana Mandez Ferrel
- Paul’s prayer to break off witchcraft from intercessors and speak LIFE into the intercessors who are oppressed and in a barren place right now. Bring LIFE back into places where people have been held in captivity.
- There’s a travail that is crying out for the intercessors that Paul is carrying. We come into agreement with him for the intercessors to wake up. Stir it in each one of us. It’s time for the intercessors to come out of dryness and out of the place of death. We agree with Paul’s prayer of life. We call forth the intercessors. Who will cry for the sons and daughters who are missing, cry for Ishmael, cry for intercessors, cry for the nations? Lord, in these days of awe, we cry out for the intercessors. Call them awake; shake them awake. Lord, breathe over them. Let that wind blow over them. Let them be a resurrection of intercession – of true intercession, travailing intercession. As we go forth into our communities, let there be a new sound. May the sound gather the intercessors. May the sound wake up the intercessors. We call for a fresh wind of the Holy Spirit. Our prayers are going out into the spirit realm and people will respond. Be ready to pray when people respond. Let’s get into agreement. There’s something coming to the intercessors. We got a new mantle tonight. You can do this! There’s more in you than you know and are aware of. God wants to deploy you in this season. You are the turning point in your region. You are going to shift things in your region. The multiplication is here.
- Everybody, you’ve got your assignment for shifting your region. You are receiving it. It’s the sound. It’s the agreement in saying “yes” to the Lord. That grace and that Spirit of the Lord, that is coming over you is what empowers you. Bev’s secret: she puts on that mantle before she begins to pray and minister to people. So, put on that blue mantle with the eagle on it – it’s You; it’s Your Spirit. We can

rest in His Spirit and pray from that place. It's Him praying through us. We will declare and thing and He will establish it.

- Vision: I see a white cross on the cape. It's through Him that we do this, not of ourselves. He needs the surrendered vessel.
- We came before Him as King. We are kingly-priests and priestly kings. This is God's reset. He is resetting you and re-seating you for His purposes. Be expectant. God's doing this.
- Declaration: Judge Deborah is in her seat! Because the Lord is seating His people in seats of authority.
