**June 22, 202**

**Beverley Watkins**

#### **Opening Prayer and Concerns as we Step into Mount Zion**

- Overcome Discouragement and despair
- Overcome Post Natal Depression after Birthing on the Economic Assignment
- Repentance for believing enemy's lie
- Trade discouragement for the Truth God's Word – "Greater is He that is in you, than he that is in the world."
- "I can do all things through Christ who strengthens me" (Philippians 4:13).
- Shut the door to condemnation and discouragement

**Vision: Tour bus ready for departure!**

#### **Beverley's Message**

- War is economic! The enemy's strategy is to weaken the Body of Christ by targeting the religious hybrid community
- People are losing jobs if they don't submit to socialism and other ideologies
- We understand that God, and only God, has the answers to economic issues
- Imagine what might happen if all believers stepped into God's economy – things would shift in every other mountain into God's purposes. It would reform government, education, media, etc.
- We need our finances to be released from the Spirit of Mammon and the religious hybrid communities in order to accomplish God's plan and purposes
- We need a targeted approach to defeat the enemy's agenda and come into the truth of God's economy
- "Make very sure that you never refuse to listen to God when He Speaks ..." (Hebrews 12:25-29). This means He does have something He wants to tell us.
- "For thus says the LORD of hosts: 'Once more (it *is* a little while) I will shake heaven and earth, the sea and dry land; <sup>7</sup> and I will shake all nations ...'" (Haggai 2:6-9). More shakings are yet to come.

#### **Strike Force Assignment**

- ❖ Make a way to open the hearts and minds of the Body of Christ to receive God's Truth regarding Kingdom Economics.
- ❖ Lift the veils and repent for the blindness of yielding to the Spirit of Mammon
- ❖ God desires for us to understand His Kingdom's economic principles and how-to apply them.
- ❖ We need understanding and cleansing from Heaven to walk in this realm.

## Scriptural Foundation: Jesus Cleanses the Temple

The cleansing of the Temple narrative tells of Jesus expelling the merchants and the money changers from the Temple in all four gospels of the New Testament.

- Matthew 21:12-14 “Upon entering Jerusalem Jesus went directly into the temple area and drove away all the merchants who were buying and selling (system) their goods. He overturned the tables (bank) of the money changers and the stands/seats (authority, throne) of those selling doves.”
- Mark 11:15-19 Jesus accused the Temple authorities of thieving and this time he names poor widows as their victims
- Luke 19:45-48 “My house is a house of prayer, but you have made it a den of thieves.”
- John 2:13-16 “When He had made a whip of cords, He drove them all out of the temple, with the sheep and the oxen, and poured out the changers’ money and overturned the tables.”
- Jesus wants to shift buying and selling to outside of His Temple.
- God wants us to willingly submit to Him for cleansing of the Spirit of Mammon.

## Repentance Issues to Make a Way Open

**Beverley’s Vision:** In Mt. Zion in the heavenly realm, elders were seated at a table (altars of the Lord) situated directly in front of our group. They all had paper waiting to record what we had to petition. Here’s the report from issues identified in our small groups:

- ✓ Idolatry, especially of money
- ✓ Independence, self-reliance, control, own strength
- ✓ Wounding by leadership
- ✓ Poverty and scarcity mindsets
- ✓ Disrespecting God by not trusting God
- ✓ Pride in giving; false humility; give to get
- ✓ Fear and unbelief that God provided
- ✓ Guilt for having money
- ✓ Generational issues and mindsets
- ✓ Not taught correct principles
- ✓ Ishmael entitlement
- ✓ The only language for the economy is “buying and selling” which is deeply rooted in our churches and in our culture. We don’t understand “sowing and reaping” as spiritual principles for life and harvest.
- ✓ How do we get extricated from the deep roots that the economic strongholds the spirit of Mammon has planted in our culture? Just like Jeremiah 1:10, pray that God would “uproot and tear down” these strongholds, beginning with us. Let’s invite Him to begin the shaking of the nations in our hearts, first.

## Invitation for Jesus to Shake Us

- Expose the cultural system the veils the truth of His economy
- Remove, overturn, and cleanse us of mindsets that blind us from the truth

- Shake the religious hybrid systems and structures and remove their seats of authority
- We invite Jesus to shake us as a family from the molasses of these systems that engulf us
- For Jesus to position us on the rock and keep us in the palm of His Hand as He shakes off the dust of iniquity
- We want to sacrifice our wills for His Will
- For His Grace to lead us out of the false religious hybrid systems that surround us.
- For Grace to empower us as a group in ways that we couldn't possibly do by ourselves.
- We want to align with Jesus and receive a Kingdom that cannot be shaken
- To situate us on the rock of Jesus as we stand together as one.
- To open a way for people to come up to Mt. Zion and learn of His ways.

### **Visions:**

- A statue breaking into little pieces
- A decrepit foot (can't walk that way; need our feet to walk in peace)
- Giving Him our stony hearts
- Looking into a very deep hole filled with roots buried in the deep of the earth
- See us moving from the earth to heaven on what I thought was a cloud, but it turned out to be a rock up to the father's hand. He started blowing wind and fire from His mouth, but looking into our hearts with a piercing light. The rock started to illuminate from the light. The Lord lifted us all up with the roots. He breaks us free and blows off the debris. The Glory is beginning to come.
- Jesus with a huge, long robe, and we were being covered under Him and in Him. He was covering us like little chicks.
- Shackles breaking off
- He is shaking all things in us, moving us to truly believe WE are Sons of a GOOD Father who IS ALL provision, fully relying on Him in the midst of other shakings.
- We are walking on the water in peace
- See Jesus holding a big, white scroll. I think the scroll entitles Jesus to say, "we belong to Him"

### **Admonition**

Position ourselves in the rock, Jesus. Worship and keep our eyes fixed on Him. Let the wind blow off the debris. We will not be moved no matter what happens around us. See you next week!
